## Branch events

The printed programme of forthcoming branch meetings up to June 2011 can be downloaded from this link:

[Programme 2010-2011](#) (pdf, 28kB)

The normal Friday afternoon meetings are all free of charge; the Seminar is the only event for which there is a charge. All meetings are open to both members and non-members. Why not bring along one of your managers?

In addition, from time to time, we organise workshops on topics of interest and these are inserted into the 'live' calendar below and in the right hand side bar. Keep an eye on this page, or our Branch news page to keep up-to-date.

This is a brief summary of forthcoming events, with links to location maps:
