How to find us

Leave the M1 at junction 21, taking Leicester's outer ring road, the A563 (signposted South and East).

After about 4.5 miles, turn right onto the A5199, towards Northampton.

Pass the Stage Hotel on the left and, as the road begins to climb, after the pedestrian crossing, look out for the IOSH sign on the left. Turn left onto Highfield Drive at the next set of lights then immediately turn left again onto the access road, and turn right into IOSH.
