Contributing towards a Safer Community

Dr. Jaber Al Jaberi
Director General, OSHAD

Presented by: Shahzaib Khalid Khawaja,
Division Director, Auditing & Investigation Division

IOSH Middle East Annual Conference – 2015
April 29, 2015
Changing the Culture & Mindset

- Minimal or No Regulations
- OSHAD Framework
- Consultation, Communication & Awareness
- Implementation
- Monitoring & Reporting
- Enforcement & Continual Improvement
Key Milestones

- **2013 - 15**
  - Launch of AD EHSMS Arabic Version
  - MOUs with International Organizations

- **2012**
  - Launch of AD EHSMS v2.0
  - Launch of Qudorat - OHS Registration

- **2011**
  - Launch of 2nd Awareness Campaign
  - OSHAD Establishment

- **2010**
  - Launch of 1st Awareness Campaign
  - Decree No. 42

- **2009**
  - Launch of AD EHSMS v1.2
  - AD EHSMS 1st Draft

- **2008**
  - EHS Higher Committee

- **2007**
  - Abu Dhabi EHS Policy

- **2006**
  - OHS M.E Conference & Exhibition 2014
  - Launch of OSHAD website

- **2014**
  - 4th & 5th Annual Report
  - OHS Day - 2014
  - OHS Forum
  - Start of Implementation
  - Int. Risk Management Award - 2014
  - Int. Safety Award - 2015

- **2013**
  - 2nd Annual Report
  - Visits and Workshops
  - Sectors
  - Training Workshops, Visit, Consultations
  - Identification of Sectors

- **2012**
  - 3rd Annual Report
  - OSHAD Website Update

- **2011**
  - 2nd Annual Report
  - Visits and Workshops
  - Training Workshops for Govt. entities

- **2010**
  - 1st Annual Report
  - Launch of OSHAD website

- **2009**
  - Launch of 2nd Awareness Campaign

- **2008**
  - EHS Higher Committee

- **2007**
  - Abu Dhabi EHS Policy

- **2006**
  - OHS M.E Conference & Exhibition 2014
  - Launch of AD EHSMS v2.0

- **2007**
  - MOUs with International Organizations

- **2009**
  - OSHAD Establishment

- **2008**
  - AD EHSMS 1st Draft

- **2007**
  - Abu Dhabi EHS Policy
International Recognition
## Building the OSH Culture

### Framework (oshad.ae)
- Manual (1) / Elements (9) / Mechanisms (12) / Codes of Practices (59)
- Standard (1) / Technical Guidelines (12) / Guidance Document (2) / Forms (13)

### Administrative Structure
- Competent Authority (OSHAD) / Sector Authorities (11)
- Govt. Entities Targeted for OSHMS (75)
- Entities within sectors (nearly 2500 nominated/notified)

### Leadership Engagement
- Decrees & Circulars
- Executive Committees
- Meetings / Visits

### Awareness & Capacity Building
- National Awareness Campaigns (6 / National Forum (01)
- OSH M.E Exhibition & Conference (01) / OSH Day (02)
- Training & Awareness Workshops: Govt. Entities (50) / Sector Entities (16)
- Showcasing OSHAD in National & International Event (06)

### Implementation
- Govt. Entities Implementing approved OSH MS (47)
- Private Entities implementing approved OSHMS (500)

### Monitoring & Reporting
- Audits in Govt. Entities by OSHAD(45)
- Performance Reporting: Govt. Entities (47) / Sector Entities (500)

### Competency Development
- OSH Practitioners (575) including (27) Auditors
- OSH Service Providers (51) including (10) Certification Bodies

### Partnership
- Health & Safety Executive / IOSH / British Safety Council / IIRSM
- JICA / Safe Work Australia / ASSE / ADVETI / DED

### Continual Improvement
- Stakeholder Consultation Process
- OSHAD Framework v 1.2 / v 2.0 / v 3.0 (target 2015)
- OSHAD Electronic Database System (launch planned in Q2 2015)

OSHAD Program
Alignment with International Safe Community Indicators
Indicators:

1. An infrastructure based on partnership and collaborations;
2. Long-term, sustainable programs;
3. Programs targeting high-risk groups & environments and promoting safety for vulnerable groups;
4. Programs that are based on the available evidence;
5. Programs that document the frequency and causes of injuries;
6. Evaluation measures to assess programs, processes and the effects of change;
7. Ongoing participation in national and international Safe Communities networks.
An infrastructure based on partnership and collaborations:

- Abu Dhabi Govt. (GSEC)
- Govt. Authorities (SRAs)
- Emergency Response Services
- Private Sector
- International Partners (MoUs, Consultation, Best Practices)

Long-term, sustainable programs:

- Awareness Campaigns
- Consultation & Communication
- OSH Trainings and Competency Development
- Qudorat – OSH Registration Scheme promoting competency development

Programs targeting high-risk groups and environments, and promoting safety for vulnerable groups:

- OSHAD OSH System Framework (Regulations, Mechanisms, Standards, Guidelines)
- OSH Management System
- Risk Assessment
- Public Safety Awareness Campaigns
- Qudorat – OSH Registration Scheme

Programs that document the frequency and causes of injuries:

- Incident Reporting & Investigation
- OSH Performance Reporting
- OSHAD Incident Database
- OSHAD Electronic Database System
- Incident Analysis

Evaluation measures to assess programs, processes and the effects of change:

- Audits & Inspections (OSHAD, SRAs, Entities)
- 3rd Party OSHMS Compliance Audits
- Management Reviews
- Annual Performance Reporting
- OSHMS Implementation - Cost Benefit Analysis

Ongoing participation in Safe Communities networks:

- National Events (Exhibitions, Conference, Seminars)
- Participation in International Events (Seminars, Conferences, Awards etc.)
- International Partnership (MoU with Int. OSH Regulators & Organizations)

Programs that are based on the available evidence:

- OSH Performance Reports
- OSH Awareness Campaigns / Organizing Seminars, Exhibitions & Conferences
- OSH Registration Scheme
- OSH Compliance Audits
