Institute of Occupational Safety & Health

New Committee members needed 2012/13

Committee meetings are held six times a year, after the main meeting (months with a * beside the meeting date). Committee members are expected to help with the organisation of meetings and the October seminar, and should be able to attend at least four committee meetings a year (approximately 1½ hours).

Committee members may hold more than one official role if appropriate (eg the Vice Chairmen are usually expected to hold an additional committee responsibility), and committee members may be co-opted during the year if necessary. The Committee actively encourages group members to stand for the committee so that the committee does not stagnate. New committee members are the future life blood of the group!

New committee members are welcome especially if they are able to assist with secretarial work, planning our meeting programme, organising our seminar, keeping notice boards up-to-date etc... If you are interested please contact Martin Fishwick, Val Kennedy, or any other committee member. We encourage potential committee members to indicate if they are willing to assist with an official's role with a view to taking over that role in future.

Any IOSH member can nominate or second committee members. Nomination forms must be submitted by April 16th 2012 (at meetings, or by post to: Magda Trafas, Membership Secretary c/o ENESCO, Brunthill Road, Kingstown Industrial Estate, Carlisle, Cumbria, CA3 0EN).

Nominations are needed for the following positions

Chairman: *CMIOSH; usually current Committee member; can be the same person for more than one year.*

Vice Chairman: *two posts, usually past Chairman & potential future Chairman; CMIOSH; can be the same person for more than one year; usually holds additional committee responsibility.*

Minutes Secretary: *usually a 'continuing' Committee member.*

Committee Minutes Secretary: *usually a 'continuing' Committee member.*

Membership Secretary: *usually a 'continuing' Committee member.*

Assistant Membership Secretary: *any IOSH member or SCOHSG company representative.*

Programme Secretary: *usually a 'continuing' Committee member.*
