We're looking for the unsung heroes who you think should receive the sparkling recognition they deserve. Don't let their achievements go unnoticed: it could be all that you need to keep the inspiration bubbling and the motivation flowing for them and for your colleagues

This is the 25th year that the IOSH West of Scotland Branch has awarded Certificates of Merit to people who are not safety and health professionals, but whose individual actions and involvement contribute to driving safety and health in their business.

Don't miss the opportunity to nominate that star.

We're now accepting nominations, which will be judged by a committee of safety professionals. The nomination form is attached and the deadline for entries is Friday 10 March 2017.

Please send your completed nomination form to Louise Griffin at louise.griffin@iosh.co.uk. Alternatively, post it to Louise Griffin, IOSH, The Grange, Highfield Drive, Wigston Leicestershire LE18 1NN. Entries received after Friday 10 March 2017 will not be considered.

Entry requirements

- The competition is open to non-safety professionals only. We will not award a certificate to any safety practitioner, whether employed or retired.
- The nomination can be for an individual or for a group of up to 10 people.
- Nominations must be supported by an IOSH member.
- The decision of the Certificate of Merit Committee is final in all cases.
