## Our Vision

- To make the IOSH Construction group the 'go to' place for H&S practitioners involved in construction and related activity
- A source of inspiration, knowledge and information for members
- At the centre of the construction H&S community
- Well connected and communicating with our members

## Our Mission

- To provide information and to facilitate effective communication that aids improved health and safety outcomes

## Success Criteria

- Our vision will have been realised when:
  - We are recognised as a source of pragmatic advice & solutions
  - We are connected and able to influence the HSE, CONIAC, CITB and representative bodies like Build UK
